

# Molecular Genetics UNIVERSITY OF TORONTO

## Job Posting – Teaching Assistant Position Fall 2025 (September-December)

The Department of Molecular Genetics is seeking 2 Teaching Assistants for the following course:

### **MGY2771H Introduction to Medical Microbiology**

An introductory course on the fundamentals of medical microbiology. Course content includes units on bacteria, viruses, eukaryotic pathogens, microbial growth in the lab, microbial identification and classification, antibiotic resistance, epidemiology, vaccines and immunity and pathogenicity.

### **Qualifications**

Applicants will be considered based on their knowledge of microbiology, immunology and/or infectious diseases as gained through some combination of coursework & research project work. Further details about the Department's hiring policy are available in the Department office and in the CUPE, Local 3902 office.

### **Duties**

- Promptly answering student questions
- Implementing and enforcing course policies, including quiz deadlines, assignment submissions, and academic integrity standards
- Attending regular TA meetings
- Marking assignments
- Supporting the administration of the final exam

Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.

**Hours of Work:** Approximately 50 hours for the academic session.

**Estimated Course Enrolment:** 600

**Rate of Pay:** SGSI/II \$52.97/hr.

### **Application Process**

Please submit a Teaching Assistant Cover Page (available on the departmental web site:

<https://moleculargenetics.utoronto.ca/teaching-assistantships-ta>) and a CV to Dr. Jessica Hill [jessica.hill@utoronto.ca](mailto:jessica.hill@utoronto.ca)

**Deadline: August 8, 2025**

The Chair or the Chair's authorized designate shall make any or all offers of employment on behalf of the Department of Molecular Genetics. The Department authorizes no other offers or notices of the outcome of applications.

This job is posted in accordance with the CUPE3902 Unit 1 Collective Agreement. The position(s) posted above is (are) tentative, pending final course determinations & enrolments.

If during the application and/or selection process you require accommodation due to a disability, please contact [uoft.careers@utoronto.ca](mailto:uoft.careers@utoronto.ca).

**The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.**
