Job Posting – Teaching Assistant Position
Fall 2023 (September - December)

The Department of Molecular Genetics is seeking 1 Teaching Assistants for the following course:

MGY340H – Molecular Genetics
This course provides students with an in-depth understanding of how genetic analysis is used to investigate the regulation of biological processes ranging from metabolism through cell cycle control and development.

Qualifications
Applicants will be considered on the basis of their practical familiarity with genetic analysis in model organisms as gained through some combination of coursework and research project work. Applicants should list in their curricula vitae the genetics courses they have completed, and for courses not offered at the University of Toronto, provide a brief summary of their content. Further details about the Department’s hiring policy are available in the Department office and in the CUPE, Local 3902 office.

Duties
• Marking written assignments
• Answering student questions on Quercus
• Proctoring exams as needed

Duties of this position shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location will be specified in the posting.

Hours of Work: Approximately 37.5 hours for the academic session.

Estimated Course Enrolment: 86

Rate of Pay: SGSI/II $47.64/hr.

Application Process
Please submit a Teaching Assistant Cover Page (available on the departmental web site: https://moleculargenetics.utoronto.ca/teaching-assistantships-ta) and a CV to Dr. Andrew Spence andrew.spence@utoronto.ca

Deadline: July 28, 2023

The Chair or the Chair’s authorized designate shall make any or all offers of employment on behalf of the Department of Molecular Genetics. The Department authorizes no other offers or notices of the outcome of applications. This job is posted in accordance with the CUPE3902 Unit 1 Collective Agreement. The positions(s) posted above is (are) tentative, pending final course determinations & enrolments. If during the application and/or selection process you require accommodation due to a disability, please contact uoft.careers@utoronto.ca.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
